(1.) By striking out clause (a) of Regulation 3, and substituting therefor the following:

"(a.) For and in respect of the licence-year ending on the 29th day of February, 1948, there shall be issued by the Superintendent for any motor-vehicle in respect of which a licence is issued pursuant to section 4 of the Act, only one number-plate, and the display of such single number-plate in the manner hereinafter prescribed shall be a sufficient compliance for all purpose with every provision of the Act requiring the display of two number-plates, and every reference in the Act to two number-plates, mentioned in section 4, shall be deemed to be a reference to one number-plate; and the same provisions shall be applicable in respect of demonstration number-plates, referred to in section 29 of the Act.

"The number-plate issued by the Superintendent in respect of a motor-vehicle other than a motor-cycle shall be displayed in a conspicuous place

on the back of the motor-vehicle and the number-plate issued in respect of a motor-cycle or trailer shall be displayed in a conspicuous place on the back thereof. Every number-plate shall be so fastened to the motor-vehicle or trailer or motor-cycle as to prevent the number-plate from swinging, and shall be kept entirely unobstructed and free from dirt and so that the number thereon may be plainly seen and read at all times.

"For and in respect of the licence-year commencing on the 1st March, 1948, and every licence-year subsequent thereto, the number-plates issued by the Superintendent in respect of a motor-vehicle other than a motor-cycle shall be displayed in conspicuous places, one on the front and one on the back of the motor-vehicle, and the number-plate so issued in respect of a motor-cycle or trailer shall be displayed in a conspicuous place on the back thereof. Every number-plate shall be so fastened to the motor-vehicle or trailer as to prevent the number-plate from swinging, and shall be kept entirely unobstructed and free from dirt and so that the number thereon may be plainly seen and read at all times."

(2.) By adding to clause (f) of Regulation 3 the following:—

"*Back-up Lights.*—Any motor-vehicle may be equipped with a back-up light either separately or in combination with another light; said back-up light shall be so directed as to project a white or amber light illuminating the highway to the rear of the vehicle for a distance not to exceed seventy-five feet.

"No back-up light shall exceed a diameter of six inches measured across the lens or face thereof, nor shall any such light be lighted on any vehicle moving forward or otherwise except when such vehicle is about to be or is backing on a highway."

(3.) By striking out the words "a hand" in the last sentence of clause (g) of Regulation 3, and substituting therefor the word "an."

(4.) By adding to clause (i) of Regulation 3 the words "No motor-vehicle, the muffler of which has had any baffle-plate, or other part for the suppression of exhaust noises, removed or the exhaust outlet opened so as to create

more noise, shall be operated on any highway, nor shall any device be attached to such motor-vehicle muffler or exhaust system which will increase the noise of the exhaust."

(5.) By inserting after the word "tow," in the seventh line of clause (m) of Regulation 3, the words "if such trailer or any load thereon obstructs the view of the driver to the rear."

(6.) By striking out Regulation 4, and substituting therefor the following:—

"4. Upon receipt of the notice of transfer of a motor-vehicle or trailer transmitted pursuant to section 12 of the Act, and upon payment of a transfer fee of seventy-five cents, the Superintendent may transfer the licence mentioned in the notice to the transferee of the motor-vehicle or trailer: Provided that in the case of the sale or the transfer of a motor-vehicle or trailer registered and licensed without payment of fees in respect thereof under the provisions of subsection (4) of section 4 of the Act, no transfer of such licence shall be made to any purchaser or transferee other than a municipality, school district, or person entitled to such issuance without payment of fees, as provided in the said subsection (4) or in the case of the sale or the transfer of a motor-vehicle registered and licensed under the provisions of sections 4A, 5, and 5A of the Act, no transfer of such licence shall be made to any purchaser or transferee who is not operating the same in the manner set out on the licence. Where a motor-vehicle or trailer so registered and licensed is sold or transferred to any such other purchaser or transferee the current licence and number-plate or number-plates issued in respect of that motor-vehicle or trailer shall be forthwith surrendered to the Superintendent, and if not so surrendered may be seized by any police officer or constable and delivered to the Superintendent; and the further registration and licensing of that motor-vehicle or trailer shall be subject to the payment of the fees payable in respect of registration and licensing of the motor-vehicle or trailer provided for in the Act. In like manner, upon the transfer of a motor-vehicle or trailer in respect of which the licence was issued free of charge or at a nominal fee by virtue of an Order in Council, the number-plate or number-plates issued in respect thereof shall be forthwith surrendered to the Superintendent or may be seized and delivered to him."

(7.) By striking out the words "of its proposed temporary operation under the permit" in the second sentence of Regulation 9, and substituting therefor the words "the special number-plate issued under such permit is in his possession."

(8.) By striking out the words "not exceeding fifty dollars" in the last sentence of Regulation 9, and substituting therefor the words "equal to the annual licence fee under the Act for a motor-vehicle or trailer of like weight."

(9.) By striking out the second and third paragraphs of clause (b) of Regulation 21, and substituting therefor the following:—

"The permittee and every person in charge of a school bus shall, upon the request of a Mechanical Inspector or any officer or constable of the Provincial Police Force or of the police force of any municipality, forthwith take the school bus to a place designated by the Mechanical Inspector, officer, or constable, and shall submit the same there for inspection and testing.

"Where, in the opinion of a Mechanical Inspector or any officer or constable of the Provincial Police or of the police force of any municipality, a school bus is unfit for the

carrying of school-children, no person shall operate such school bus or cause it to be operated on any highway for the purpose of carrying school-children until the defect causing such unfitness has been remedied to the satisfaction of the Mechanical Inspector, officer, or constable."

(10.) By striking out clause (c) of Regulation 21, and substituting therefor the following:—

"(c.) Every school bus shall be constructed and equipped in accordance with such standards as are from time to time issued by the Superintendent and no person shall change, reconstruct, materially alter, modify, or add to the body or seating capacity of any school bus without the written approval of the Superintendent."

(11.) By adding to clause (d) of Regulation 21 the following words: "Every permittee shall maintain his school bus or school buses in proper repair for safe operation at all times and shall see that they are properly equipped as required by the Superintendent. For such purpose he shall arrange for the inspection of the same by a competent Inspector or mechanic at frequent intervals. Any defective mechanical or other condition shall be promptly corrected before such equipment is operated for the transportation of school-children."
